## Flippin' Out!

Inspired by the classic parlor game, FLIPPIN' OUT! is a wild and fast-thinking party game where a letter or a player is eliminated with each Flip of a Chip. Chips representing the letters A-Z are spread out amongst all players. A category is read (eg: "Produce"), on your turn, you have 10 seconds to say something within the category and flip over the first letter of that word. (Lettuce-L; Apples-A; Pears-P... etc.)

Each letter may only be used once, and you never know what the next person may say! Say a word and Flip a Chip within the 10-second time limit, and you Stay IN the round. Scroll through your mental rolodex and think fast because...

...you're either FLIPPIN' or you're OUT!
