Item# 395
Korner'd™

It's a puzzle that's also a game! The rules are simple; just match the colors on the tile to the pattern on the board. Play all your tiles first to win. But there is only ONE correct location for each tile. Each intersection presents opportunity or anxiety! KORNER'D is so basic... yet so compelling. It's the mind-bending, abstract strategy game of perception that brings excitement with each new discovery, and frustration each time you find yourself KORNER'D

A game by Brad Ross and Jim Winslow.

Item#385 Flippin' Out!™

Inspired by the classic parlor game, FLIPPIN' OUT! is a wild and fast-thinking party game where a letter or a player is eliminated with each Flip of a Chip. Chips representing the letters A-Z are spread out amongst all players. A category is read (eg: "Produce"), on your turn, you have 10 seconds to say something within the category and flip over the first letter of that word. (Lettuce-L; Apples-A; Pears-P... etc.)

Each letter may only be used once, and you never know what the next person may say! Say a word and Flip a Chip within the 10-second time limit, and you Stay IN the round. Scroll through your mental rolodex and think fast because...

...you're either FLIPPIN' or you're OUT!
